2025 IN-PERSON EVENTS:

NVLF Fellowship Forum

June 24-25

NVLF Leadership Forum

June 25-26

EMPOWER STUDENTS

NVLF Leadership Fellows: An in-person program (June 24-25, 2025) that brings together top current and future Military Community Advocates to build their leadership skills and increase their impact. Also provides an opportunity to attend the NVLF Leadership Forum and collaborate with campus staff on strategies to better serve military-connected students.

- ★ Nominate an existing or future MCA by **March 1, 2025**. You can nominate up to three students to be NVLF Leadership Fellows.

Military Community Advocates (MCAs): Service-scholarship program for students who work toward more military-inclusive policies and programs in departments across campus. Grant funding available for up to three Advocates per campus, \$2,500 each per year. Other student leaders (either funded by other sources or in unfunded positions) can also be registered as part of the NVLF MCA network.

- ★ Submit MCA registration and funding requests for the next academic year (2025-26) by **April 1, 2025**.
- ★ Submit current year (2024-25) project reports by **April 30, 2025**.

ENGAGE CAMPUS LEADERSHIP

NVLF Leadership Forum | June 25-26, 2025: An in-person event that brings together campus allies (including mil-vet directors, development officers, marketing, career services, and others) along with top student leaders (NVLF Fellows) to align on plans for growing both internal and external support and programming for mil-vet students.

- ★ Registration is on a first-come, first-served basis until the event is at capacity. Register no later than **May 15, 2025**.
- ★ NOTE: NVLF will register all Student Leadership Fellows.

GROW COMMUNITY SUPPORT

Advancement Awards: Up to \$2,500 for events and activities that increase the visibility of military students on campus and build a potential donor base. Advancement activities must include the participation of your development team.

- ★ Advancement Award applications are due **July 15, 2025**.
